Out-of-Field Teachers

Effective: July 2021

Individuals who are teaching out of field are certified in at least one area and area qualified to teach but are required to take additional course work or testing to add a coverage/endorsement to their certificate. The state also requires a teacher to take coursework/in-service towards an English for Speakers of Other Language (ESOL) endorsement when the teacher is the primary language arts provider and/or reading teacher for an ESOL student.

The following teachers have agreed to teach out of field while completing coursework and/or testing:
